

INNOVATIVE
FILM ACADEMY

One Year MAKING FILM

Why Choose This **COURSE?**

- This Speed Run Distills a traditional multi year degree into a **1 YEAR**, high intensity, career focused timeline.
- **100% practical** immersion from day one, replacing dry lectures with real world sets.
- Learn Directly from **Industry Led Masters** who dictate Modern Cinematic Standards.
- Fast track your career without sacrificing the core **Technical and Creative** depth required to succeed.

World-Class Infrastructure & Facilities

• **Industry-Standard Infrastructure:**

Cinema-grade camera packages, prime lenses, gimbals, track-and dolly setups, and professional studio lights.

• **Acoustically Treated Sound Booths:**

A full dubbing studio for sound design, voiceovers, ADR, and Foley.

• **Virtual Production LED Studio:**

Hands-on experience with LED volume screens for real-time background rendering.

• **Comprehensive Post-Production Suite:**

Editing, color grading, mixing, animation, and digital mastering, in-house.
